**Minutes :**

1. The school decided to review the fee structure .Fee hike was not a welcoming decision for the parents.
2. It was quite challenging to convince the parents to accept the fee - hike of 8 - 8.5%..The school suffered a major crisis in terms of finance .Then too ,the developmental works were constantly in progress for the welfare of the students.
3. The new fee - structure included tuition fee, transportation charges etc. The annual charges to be paid in installments so that the parents may not feel overburdened financially.
4. The school also provided a platform for the students to showcase the variety of activities including special assembly, national festivals and other historic occasions.
5. Abacus Classes continued for the students to engage themselves with new techniques and methods of arithmetic learning.
6. The school provided productive environment for the innovative and creativity of the students leading to fostering of new ideas and thoughts .
